

# Bright Mind Preschool

September 2022

info@brightmindpreschool.com

## WELCOME!

We look forward to a fun and busy week welcoming our new and returning children for an exciting year of learning. We are so glad you have chosen Bright Mind Preschool for your family.

It is expected that children experience some difficulty with the transition to a new school, new teachers and a new routine. Most children can calm and comfort themselves with a little loving attention, a reminder to breathe and an interesting activity. If your child is having larger issues with this transition, you may want to consider a shorter day for a time.

One tip is to make your goodbyes quick and positive.

Please let us know how we can make school a success for your child.

## FAMILIES & PETS

The “Mother Goose” curriculum has wisely selected “Families and Pets” as the first theme of the year. This exploration also includes lessons on emotions. Each day’s math, literacy, art, story time and music and movement are centered on the theme.

Please see the Mother Goose newsletter in your child’s Friday Folder and the daily Procure reports from your child’s teachers for more information on our curriculum. If you have additional questions, you are welcome to contact your child’s teachers or Sarah Jennings, Program Coordinator.
